Lutheran schools have said, "Let the Children Come." Over the past 12 years, many children have come to Atonement Preschool to learn. They have learned about numbers, letters, sharing and friendship. They have also learned that they are God's beloved children. We would love to have your child join our Christian preschool to learn in an environment that encourages faith, honesty, trust, respect and responsibility.

The following comments are from our parent's survey sent out in December 2009.

- The staff is fantastic! They are always welcoming, upbeat and full of praise! I love that they take the time to visit with each child as they walk into the classroom.
- My son loves school thanks to the wonderful staff and the creative curriculum. The teachers really make learning fun! I don't think the kids realize how much they are learning - they are too busy having a good time!
- Keep up the great work! I recommend Atonement Preschool to everyone I meet that has small children! This is our second child to go through the program and we are very pleased with the school choice we made!!
- The teachers do a fantastic job creating new and exciting learning areas! Our son loved the rocket ships.
- My son feels very loved by his teachers, great field trips for the children!! We are extremely pleased with Atonement!!
- We are a returning family to Atonement Preschool simply because Miss Jody is amazing!! She is more than a teacher. She feels like an extension of our family. My boys have truly been blessed to be taught by her.
- Outstanding job - night & day difference between you and public preschool. Hats off to you!
- Our daughter has gotten so much out of having Miss Jody for a teacher - we are so thankful!
- I get a regular update when I pick my son up. I am able to find out how his day went. Their teaching staff is great - they make school fun! Great program, love everything you do.
- We couldn't ask for better teachers! Miss Deb is so caring.
- Teaching staff is top notch! Would encourage anyone to come to this program!
- We moved a year ago and now live over an hour away. I didn't even think twice about sending my child to the local preschool. Atonement gives children a jump start on many of the skills they wouldn't normally learn until kindergarten or later. I love their approach to learning.
